The Ten (Political) Commandments

With the Ten Commandments in mind, here are some thoughts on politics and citizenship:

1. Do not put all your hopes in a political or economic theory or party line.
2. Do not worship political figures or images.
3. God does not belong to your political party nor does God endorse your political opinion.
4. Do not use God to support your political theories.
5. Respect the views of other family members.
6. Disagree, but don't be cruel or disrespectful.
7. Do not inject politics into every conversation.
8. Be honest when you vote,
9. Defend the truth, even if that makes you unpopular.
10. Accept ballot results without gloating or moaning.

Use your God given intellect and free will for the peace-filled common good.

Help me be an insightful citizen and voter Holy Spirit.

Don't forget to vote on November 2nd!

HOLY MARY -BLESSSED BE YOUR PURITY

Blessed be your purity,
May it be blessed forever.
For no less than God takes delight,
In such exalted beauty.
To you, heavenly Princess,
Holy Virgin Mary,
I offer on this day my whole heart,
life and soul.
Look upon me with compassion,
Do not leave me, my Mother.

Amen

**St. John
of
Capistrano**

Feastday: October 23

St. John was born at Capistrano, Italy in 1385, the son of a former German knight in that city. He studied law at the University of Perugia and practiced as a lawyer in the courts of Naples. King Ladislas of Naples appointed him governor of Perugia.

During a war with a neighboring town he was betrayed and imprisoned. Upon his release he entered the Franciscan community at Perugia in 1416. He and St. James of the March were fellow students under St. Bernardine of Siena, who inspired him to institute the devotion to the holy Name of Jesus and His Mother. John began his brilliant preaching apostolate with a deacon in 1420.

After his ordination he traveled throughout Italy, Germany, Bohemia, Austria, Hungary, Poland, and Russia preaching penance and establishing numerous communities of Franciscan renewal.

When Mohammed II was threatening Vienna and Rome, St. John, at the age of seventy, was commissioned by Pope Callistus III to preach and lead a crusade against the invading Turks. Marching at the head of seventy thousand Christians, he gained victory in the great battle of Belgrade against the Turks in 1456. Three months later he died at Illok, Hungary. His feast day is October 23. He is the patron of jurists

??QUESTIONS THAT HAUNT ME??

Continued from October 10th....

Why do banks charge a fee on 'insufficient funds' when they know there is not enough money?

Why does someone believe you when you say there are four billion stars, but check when you say paint is wet?

Why do they use sterilized needles for death by lethal injection?

If people evolved from apes, why are there still apes?

Why is it that no matter what color bubble bath you use the bubbles are always white?

Is there ever a day that mattresses are not on sale?

Why do people constantly return to the refrigerator with hopes that something new to eat will have materialized?

How do those dead bugs get into those enclosed light fixtures?

In winter why do we try to keep the house as warm as it was in summer when we complained about the heat?

The statistics on sanity is that one out of every four persons is suffering from some sort of mental illness. Think of your three best friends-- if they're okay, then it's you.
