The Important Things

If you find your life getting too complicated, try to stay focused on what's really important. At the end of the day, your relationship with God and with others will always matter far more than anything you own or owe.

Here's how Mother Teresa of Calcutta put it: "Spread love everywhere you go: first of all in your own house. Give love to your children to your wife or husband, to a next door neighbor..."

"Let no one ever come to you without leaving better or happier. Be the living expression of God's kindness: kindness in your face, kindness in your eyes, kindness in your smile, kindness in your warm greeting."

No one lacks daily opportunities to offer loving-kindness to someone. Whether they are your family and friends, neighbors and co-workers or total strangers, you can be the bearer of the Lord's blessings to them.

Remember God is never outdone in generosity.

Beloved Father, teach me not to worry about trivial things. Help me focus on You and Your gifts of love and life.
